Subject: Cultural Resources Concurrence, Zwolle, Inc., West Weber Gravel Pit, S/057/0008,
Weber County, Utah

Dear Ms. Hunsaker:

On March 7, 2011, the Division of Oil, Gas and Mining (Division) received a proposal from Zwolle, Inc., to conduct small mining operations in Section 19 of Township 6 North, Range 3 West, SLM, Weber county, Utah.

A cultural resources survey, report enclosed, was conducted by Uinta Research LLC which documented two sites within the proposed disturbed area. These were recorded as 42Wb475 and 42Wb476, and the consultant determined that the sites are not eligible for listing in the National Register of Historic Places. The Division has reviewed this information and agrees with the determination that there will be **No Adverse Effects** to significant resources. The Division seeks your concurrence with this determination.

Thank you for your assistance. Please call me at 801-538-5261 if you have any questions or concerns about this request.

Sincerely,

Paul B. Baker
Minerals Program Manager
